

# FICSA WORKSHOP FOR STAFF REPRESENTATIVES ON UNDERSTANDING MENTAL HEALTH AT WORK

Hosted by the WHO/EURO Staff Association (Budapest, 2 and 3 July 2018)

## Provisional Agenda

The workshop will take place at the WHO Budapest Centre (5<sup>th</sup> Floor, 30 Váci út, H-1132 Budapest) in room C15 and will run from 9.30 a.m. to 5.30 p.m. with an hour for lunch

Course aims:

The course will enable staff representatives to:

- develop an understanding of mental health and common mental health problems
- clarify areas for development/improvement in employer policies on mental health
- be aware of diversity and cultural issues impacting on staff association members with mental health problems
- consider current procedures around sickness absence, including staff health insurance and mental health
- understand the causes and consequences of work-related stress
- consider the implications of organisational change, short term contracts and contract renewal on mental health
- consider the staff association role in supporting members on mental health issues
- consider organising and campaigning in the workplace on mental health issues
- consider the impact the role of being a staff representative has on mental health wellbeing and identify approaches to support personal mental health wellbeing
