You will have noted that the World Health Organization (WHO) has declared the outbreak of a novel coronavirus (2019-nCoV) as a public health emergency of international concern. As of today, there are reported cases in China and at least 22 other countries, according to the WHO.

A dedicated webpage has been established to provide all staff with more information. Information on precautions and other preventative measures will continue to be added to the site:

<https://hr.un.org/page/novel-coronavirus-2019-ncov>

<https://www.who.int/emergencies/diseases/novel-coronavirus-2019>

WHO has published guidelines and advice for the public including how to stay healthy while traveling:
