Dear colleagues,

We would like to share with you new features on our website. We have developed a [COVID-19 space](#) which includes the most important information on the COVID status, FICSA-related communications at a glance, guidelines on administrative arrangements and return to work, Executive Head messages, as well as information resources for managers and staff.

Disclaimer: The situation of COVID-19 is regularly changing, therefore these documents are regularly updated. If you have an updated version of the document, please do let us know. These documents are for the information and reference of FICSA Members. We aim to provide a consolidated pool of resources that can benefit all staff in the UN Common System.

Please keep visiting the website which is becoming a very valuable resource for the issues that concern you as our members. You can also contribute materials for the site by emailing to ficsa@un.org
