Dear colleagues,

We hope you are keeping up well during these still challenging times.

We would like to share the [JIU report](#) on the above topic with you given that mobility is a priority in many of your organizations. The Joint Inspection Unit proposes 10 recommendations following last year's discussions at the [HR Network meeting](#) which we informed you about.

Please note that organizations have now discussed these measures and 10 recommendations at the [UN General Assembly](#).

Stay healthy.
