71/20**Review of the jurisdictional setup of the UN Common System - First Draft Report for your Input****Geneva
19 October 2020**

To: All members

From: Evelyn Kortum – FICSA General Secretary

Dear colleagues,

This is in follow-up to our [communication 68/20](#) on the above topic. We provided you with access to the first draft report on the jurisdictional setup of the UN Common System, and hopefully your organizational focal point did the same.

Please provide your input to your organisations on the review of the jurisdictional set up if you have not yet done so. It would be useful if you copied FICSA on any input so we can strengthen your points during prior discussions this week and in our final comments. We will be meeting with the lead of the draft report and the Presidents of our two sister federations with whom we coordinate closely on this topic this Thursday morning. The deadline for all comments to the first version is 26 October 2020.

This is important for the future of our UN Common Justice System and we kindly request your full attention to this matter.
