FICSA requests your policies on Organizational Restructuring

77/20**Geneva****9 November 2020***Follow-up from the 73rd Council*

To: Full and Associate members

From: Evelyn Kortum – FICSA General Secretary

Dear Colleagues,

I would like to request your **urgent assistance in responding to the [survey](#) / request for policies on organizational restructuring** originally sent [in FICSA Communication 60/20](#) on 2 September. Despite reminders, there has been limited response to our request to date. You have asked on many occasions for the FICSA website to serve as a repository of information for our members. We cannot do that without your assistance.

Should you have policies, but not be able to respond to the survey, you can send your policies to ficsa@un.org

The decision proposed during the 73rd Council is copied below for reference:

Decision FICSA/C/73/D/6: The Standing Committee Chair should facilitate the process of information exchange among members undergoing any form of restructuring; agencies' documents would be placed on the FICSA SharePoint, to be shared on request for reference purposes only, and not circulated outside FICSA. The SharePoint should also include the sharing of standard practices across organizations, prevailing policies in their agencies, to serve as a point of reference/basis for discussions with management

Thank you in advance for taking 15 minutes out of your day in these difficult times to complete this important [survey](#).
